Logos

You are here: [AustLII](#) >> [Technical Library](#) >> [Web Developers](#) >> Logos

This is the "official" AustLII logo, at 158x161 pixels (file size 8,745 bytes). Feel free to use for links to AustLII, in conference papers, etc.

Here is a "flat" version of the same logo, which may come out better on printed pages.

A smaller version of the official logo above: 72x72 pixels (3,943 bytes).

We use purple as the logo colour on the [Technical Library](#) pages. There is also a [larger version](#).

Gold has been assigned to the [Inferencing Project](#) pages. There is also a [larger version](#).
